MEMO

TO: Putnam Valley Town Board
FROM: William J. Florence, Jr., Esq. 
SUBJECT: Snow Plowing of Private Road
DATE: October 29, 2018

-----X

I have run into a barrier on the 'snow plowing of private roads' district formation. Section 190 of the Town Law authorizes the removal of snow, among matters, such as park lighting, drainage, water and all its processes, sidewalks, refuse aquatic plant growth control, ambulance, and watershed.

Section 198 gives the Town Board Authority to form the several above-mentioned districts. However, when it came to snow removal (§ 198-7) it limits the snow removal to sidewalks.

Further research reveals that this idea was attempted in the 1990's without success. The solution is a home rule request to our State Legislature for a Special Amendment to §198(7) of the Town Law to include a road snowplowing district.

I await your further instructions.
