

3A

**RESOLVED** that the Town Board of the Town of Putnam Valley renew the contract with Clean-Flo International. The proposal is for three (3) years which includes 2021 through 2023. Maintenance visits for the oxygenation system located in Lake Peekskill will take place four (4) times a year. Any system repairs or replacement parts needed during the 3 year term outside of the normal maintenance scope of activity would be an additional cost. The cost for the three (3) years will be \$65,430.00. This does not include any non-scheduled visits required by the Town.
