Re: SEQRA
Correia Property - 2-Lot Residential Subdivision of Land Project
1135 Williams Dr, Putnam Valley, Putnam County, NY
20PR03552

Dear Stephen Ferreira:

Thank you for requesting the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP) as part of your SEQRA process. These comments are those of OPRHP and relate only to Historic/Cultural resources. They do not include potential environmental impacts to New York State Parkland that may be involved in or near your project. Such impacts must be considered as part of the environmental review of the project pursuant to the State Environmental Quality Review Act (New York Environmental Conservation Law Article 8) and its implementing regulations (6 NYCRR Part 617).

Based upon this review, OPRHP has no concerns for impacts to properties, including archaeological and/or historic resources, listed in or eligible for the New York State and National Registers of Historic Places by this project. This recommendation pertains only to the subdivision of land. It is not applicable to any other portion of the project property or the subsequent development of this property. Should the project design be changed OPRHP recommends further consultation with this office.

If you have any questions, please do not hesitate to contact me. I can be reached via e-mail at Josalyn.Ferguson@parks.ny.gov.

Sincerely,
