

Minutes for July 2, 2020 Task Force Meeting

Meeting began at 7:05 pm.

Ralph welcomed the new committee members. Each member introduced themselves and gave some information of their backgrounds/interests/etc.

Members present were Michael Usai, Wanda Diaz, Ben Lowder, Marilyn Power, Bruce Barber, Ina Cholst, Lisa Spittal, Rich Quaglietta, Ralph Smith. Absent were Joe Ferraro, Sara Zadrina and Sherry Howard.

We navigated the beginnings of the Climate Smart Communities website. Ralph gave some guidance of how to view the various Actions that a community can get credit for completing. Each member selected 1 of 12 main areas of actions to report to the committee on during the next meeting.

It appeared that the best day for the next meeting would be a Tuesday. Ralph will contact Carla Castillo, our Hudson Valley representative working with Climate Smart to see if she can attend and then set the meeting date/time.

Respectfully submitted,

Ralph Smith
Climate Smart Coordinator. Putnam Valley
